

NOW EVERYONE CAN HAVE
THE HOME OF
THEIR DREAMS

ADI HOME
IS WHERE THE HEART IS

Wooden structure in addition to satisfying the requirements of environment protection and energy of modern life, much more importantly, it's different from the dull brick, more with the cultural atmosphere, and more to meet the needs of users in different areas.

High-End Residential

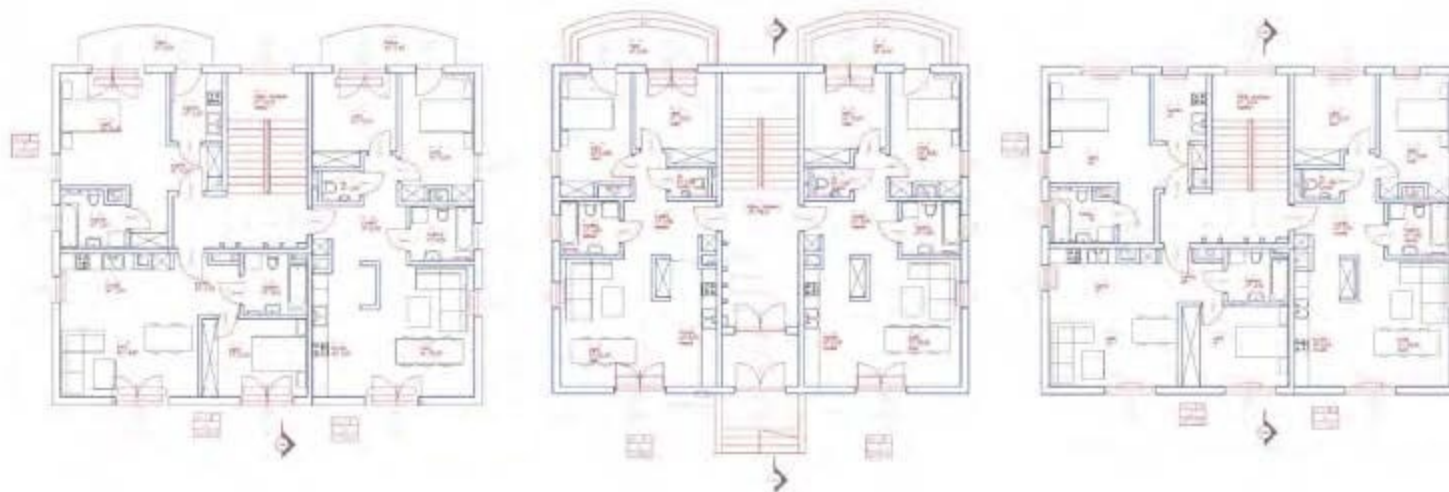

This uptown is a striking contemporary home with sophisticated details, and is ideal for narrow building lots.

The large living and leisure rooms share a common optional rear sundeck.

The master suite is designed to provide the homeowner with private retreat, away from the rest of the home.

The total space of apartment building is 650sq.m which includes 8 units from 45sq.m to 95sq.m. Each unit has bathroom & kitchen. The apartments have three styles: single room, 1 bedroom and 1 living room or 2 bedrooms and 1 living room.

Floor

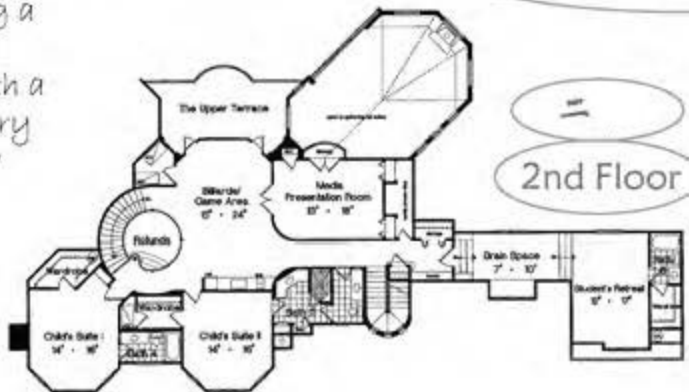

Main
Floor

A sensational country kitchen, with its feature greenhouse window, overlooks a comfortable, informal family room with a proposed stone fireplace.

The house is a fine example of combining a stylish and tasteful roadside elevation with a dramatic, contemporary treatment on the view side elevation, for a truly outstanding home.

Home Plan # 004

*Victorian
Style*

A superb estate home in the Victorian tradition, it contains all the classic elements necessary to make it show piece of the neighbourhood.

First Level

Second Level

A large, modern house with a stone and wood exterior, a dark roof, and a large chimney, surrounded by a well-manic lawn and colorful flowers. The house features a prominent stone chimney and a dark, gabled roof. The exterior is a mix of light-colored stone and dark wood accents. A large, light-colored lawn is in the foreground, with a paved driveway leading to the house. In the immediate foreground, there are vibrant yellow and purple flowers. The sky is blue with some clouds.

Sunlight streams in through a glorious custom greenhouse window adjacent to the dining room.

A beautiful working kitchen:
the heart of any home.
