

School Bus

Size

Length/Width/Height (mm)	9980×2430×3000	(3150 With A/C)
Interior height (mm)	1900	

Engine

Engine model	WP5.200
	WEICHAH WP5.200 diesel engine (Euro 3) BOSCH
Engine type	Front mounted, 4 cylinders in-line, 4 stroke, turbo-charged, water cooled, BOSCH high pressure common rail
Max.power/rotating speed (kw/r/min)	147/2300 (200PS)
Max. torque/rotating speed (N.m/r/min)	735/1200—1700

Performance

Top speed (km/h)	≤ 80
(mm) wheel base (mm)	5700
(mm)	
Front overhang / Rear overhang (mm)	1120/3160
Approach angle/ departure angle	16/10
wheel tread (F/R)	2074/1800

Fuel tank volume(L)	220
(L/100km) Fuel consumption	20
Curb weight (kg)	11500/8730
Basic Specification	
Clutch	Single, diaphragm type, clutch booster
Transmission	5 5 forward gears, soft axle distant control
Rear axle	Integral axle housing, single reduction final drive
Front axle	Ends fist, I section
Suspension system	11/12, Leaf spring, F/R 11/12
Steering system	Power steering WABCO
Braking system	ABS+ Brake model: Front disc rear drum brake, dual-circuit air brake, energy storage spring parking brake, drier, WABCO ABS+ automatic adjusting arm
Tire	9R22.5 With one spare tire
Functional Specification	
Body type	SS400 350mm, The body of bus is welded by SS400 rectangular steel tube. Monocoque structure body, side panels are stretched high-quality galvanized panels. The bottom of the chassis is specially treated with anti-corrosion glue. The ground clearance of step is 350mm,
Interior trim	

Front and rear ceiling are both absorbed molding type, flat floor covered with luxury durable antiskid floor vinyl, two piece of safety ceiling hatch

Door and door pump

Electric control pneumatic single outward swing door with one rear emergency door.

Luggage compartment

No,

Window

Semi-enclosed pull-push window (upper pull-push, lower enclosed), with side curtain (faint yellow)

35—55+1 2+3

Seat and accessories

35—55+1 seats, 2+3 arrangement, common seat, common seat, safety belts, with accommodation rail

A/C system

18KW

Without. Fan, Roof mounted A/C, 18KW is optional.

Heating system

Defroster,

Video and Audio

MP3+

MP3+radio, vehicle mounted megaphone (inside and outside horn)

Lamp

Integral front lamp, front ceiling height lamp, side mark lamp.

Paint

Paint exclusively for automobile (yellow color exclusively used in school bus).
