PORTABLE ■ CONNECTABLE ■ INSTANT BUILDINGS ■

Modern, ready made building space that is simple, sturdy, easy to move and highly practical. Designed and manufactured to the highest of standards.

Major Benefits

- Affordable solution
- Guaranteed for 25 years
- Serviceable life 50+
- No need for unsightly burglar bars
- Complete Solution
- Add more units later for more space
- Easily Transportable
- No Maintenance
- Insurable

Technical

- Flammability Class: B1
- Hardly combustible
- Wind Load: Tested to 25m/s (90km/h)
- Weight: 1850 kg per single unit (Depends on options)
- Smoke density Class: Q1, Low smoke emissions
- Connectors: Standard Fittings
- Unit dimensions: L) 6.055m W) 2.435m H) 2.896m

Modular by Design

Each unit can be joined together on any edge including vertically creating hundreds of different configurations. International standard dimensions allow for simple and safe delivery by road, rail or sea.

Complete Solution

Your building arrives ready for use and is pre built and tested for quality before it leaves our factory.

25 Year Guarantee

Against manufacturing defects.

Flat-pack for Easy Transportation
6 sets in one 40HQ container

Unlimited Combination

Power for Remote Locations*Option

Portable and fixed Solar Electricity solutions.

A STANDARD UNIT CAN BE CONNECTED TO MULTIPLE UNITS HORIZONTALLY OR VERTICALLY TO CREATE DESIRED FLOOR SPACE.
