High Speed Electric Car

Item	Type	High Standard configuration	Standard configuration
Body	Body size: L*W*H mm	4110X1750X1543	4110X1750X1543
	Wheel Base mm	2519	2519
	Max. Range	320-360KM	320-360KM
	Max. speed	130km/h	130km/h
	Kerb mass Kg	1480	1480
	Seats	4	4
Power System	Max. Motor Power	80KW	80KW
	Motor type	Permanent magnet synchronous motor	Permanent magnet synchronous motor
	maximum torque	230N.m	230N.m
	Battery Type	Sanyuan Lithuium	Sanyuan Lithuium
	BMS Battery management system	•	•
	Battery capacity	48kwh	48kwh
	Low temperature charge preheating	•	•
	Fast Charge time	30 minutes to 80%	30 minutes to 80%
	Power consumption	13.8KWH/100KM	13.8KWH/100KM
	Slow Charge time	Less than 7.5 hours	Less than 7.5 hours
	Charge Cable	•	•
Chassis System	Front suspenssion type	Macpherson independent	Macpherson independent
	Rear suspenssion	Torque beam semi-independent	Torque beam semi-independent
	Front brake type	Disc	Disc
	Rear brake type	Disc	Disc
	Handbrake	•	•

	Wheel size	205/50 R16	205/50 R16
	Wheel hub Material	Aluminium alloy wheel	Aluminium alloy wheel
	ABS Anti-lock brake system	•	•
	BOS brake override system	•	•
	HHC Uphill anti-skid	•	•
	EBD Brake power distribution system	•	•
	EPS Electric power steering system	•	•
	Speed sensitive door lock	•	•
	Shock-sensitive door opening and locking device	•	•
	Power battery protection system	•	•
	Automatic power failure at high voltage	•	•
	Automatic collision outage	•	•
	Reindeer horn safe bodywork	•	•
	Adjustable steering column	•	•
	Dual airbags	•	•
	Side airbag	•	x
	Side curtain airbag	•	x
	Pre-tensioning front three point seat belt	•	•
	Remind of Seat and passenger seat belts are not fastened	•	•
	Back seat three-point seat belt	•	•
	Child door lock	•	•
	2 ISOFIX fixtures (child seat interface)	•	•
	Anti-theft alarm system	•	•
	Remind of the traffic lights are not turned off	•	•

	Low speed pedestrian warning	•	•
	Rear parking radar	•	•
	Rear view camera system	•	•
Exterior	Electric Sun Roof	•	×
	Multistage front windscreen wiper	•	•
	Front windscreen rain sensor	•	×
	After windshield glass defrost	•	•
	Electrically adjust the external rearview mirror	•	•
	Electrically heated external rearview mirror	•	×
	External rearview mirror with turn light (LED)	•	•
	Front door electric window	•	•
	Rear door electric window	•	•
	Luggage rack	•	•
	Rear wiper	•	•
Specification	Three-spoke leather steering wheel	•	•
	Leather sports seat	•	fabric +leather sport seat
	Back headrest	3	3
	Driver seat 6 direction adjustment	•	•
	Manual adjustment of the waist support of the main drive seat	•	×
	Manual anti-glare inner rearview mirror	•	•
	4/6 split folding back seat	•	•
	Front passenger seat sun visor with vanity mirror	•	×

	Trunk storage box	•	•
	12v power source	•	•
	Quartz clock	•	×
	Central lock	•	•
	Front armrest	•	•
	Glove box open band damping	•	•
	The rear suitcase hooks	•	•
Light system	Integrated lens headlights	•	•
	Daytime running lamps(LED)	•	•
	Headlights on automatically	•	×
	The headlights are adjustable in height	•	•
	LED taillights	•	•
	The headlights are adjustable in height	•	•
	High level brake lights(LED)	•	•
	Top reading lam(with delay function)	•	•
	Front fog lamp	•	•
	Rear fog lamp	•	•
	Energy saving frequency conversion electric air conditioning	•	•
Intelligent system	PEPS keyless entry & one key start system	•	•
	The 7.0-inch floating central control display, radio and mobile phone are connected	•	•
	Standard USB port with charging function	•	•
	Bluetooth	•	•
	GPS navigation	•	×
	6.2inch liquid crystal composite instrument	•	•
	Loudspeaker	6	4

	Trip-Computer System	•	•
	Multi-function steering wheel sound control button	•	•
	Rotary switch handle(R/N/D/S)	•	•
	CCS cruise control	•	×
	Efficient braking energy recovery	•	•
	Remote vehicle control by mobile APP	•	•
	Mobile APP remote information query	•	•
Color	White, Red, Blue, Orange, customized color		
Note	• STD; ○ OPTION; ×WITHOUT		
Container loading	20ft :One Unit ;40ft Three Units		
FOB price(\$/set)	1 Unit	\$16,900	\$15,500

The above parameter configuration is for reference only. All the information about the parameter configuration and color are subject to the actual vehicle.
