

NEW THINKING, NEW POSSIBILITIES.

People's expectations toward individual mobility require more than just a convenient means of transportation. The old understanding of cars has become outdated. A car represents individuals' lifestyles, and it became an integral part of their lives. At the same time, the automobile industry has experienced seismic change. Hyundai Motor Company has grown rapidly to become one of the largest automakers, backed by world class production capability and superior quality. We have now reached a point where we need a qualitative approach to bring bigger ideas and relevant solutions to our customers. This is an opportunity to move forward and we have developed a new brand slogan that encapsulates our willingness to take a big leap. Led by our new slogan and the new thinking underlying it, we will become a company that keeps challenging itself to unlock new possibilities for people and the planet.

 NEW THINKING.
HYUNDAI NEW POSSIBILITIES.

County

A Coach with a **Passion** for **Travel**

Its dimensions are small but where looks are concerned it numbers among the greats. And it offers maximum comfort for your passengers.

It's the County. The smooth outer shell with its flush panoramic windows is practically easy to clean and maintain.

Further, practical and functional outside mirrors ensure excellent all-round vision.

In short, County is impressive in every respect.

STYLING

The Bus of the Future is Now Here

Futuristic and unique, the County styling beautifully harmonizes with its practical personality. Rounded edges and flush fitting surfaces contribute to a clean, simple image.

Front Bumper and Fog Lamp
A large and sturdy front bumper adds a muscular note to the elegant body styling theme while the built-in fog lamps provide additional illumination for greater safety in rain and fog.

Electric Chrome-Coated Outside Mirror (Optional)

Rear Spoiler (Optional)
Rear spoiler is applied to give a magnificent look to the rear body.

Side Repeater

Fixed Type Side Glass
Fixed type side glass not only enhances the overall elegance but offers improved visibility. (Optional)

Rear Garnish
Painted black, it lends a muscular look and provides thematic continuity between the side glass and rear section.

Rear Bumper
One piece-type steel bumper is gently rounded around the edges for a soft look that matches the overall design theme.

DRIVING
Human - Oriented Hyundai Design

Roomy Cabin
For greater passenger comfort, the cabin is now wider and taller to provide best in-class comfort and convenience.

Full-Formed Headliner
The County headliner borrows passenger car technology to create a full formed, elegantly contoured surface which enhances interior elegance. (Package option with A/Con)

Instrument Panel
Logically organized gauges and controls provide the ultimate in driving convenience.

INTERIOR
Perfection in Form and Function

Reflecting the human-oriented Hyundai design technology, the County interior combines outstanding ergonomics and aesthetics to provide a higher level of comfort for the driver and passengers. Also, a perfectly designed ventilation system, including large sized air conditioner and pre-heater, provides additional comfort.

Bucket-Type Driver Seat
Providing excellent thigh and lower back support, this fully adjustable seat provides a cradle of comfort and is effective in helping keep the driver alert.

Lumbar Support
An option on the DLX, lumbar support greatly reduces driver fatigue on long trips.

Air Conditioning Louvers and Reading Lamps
Louvers are installed over each passenger seat and can be aimed precisely. Ducts are now larger for improved air flow. Powerful reading lamps make for comfortable, relaxed travel. (Available with A/Con package option in the Deluxe model)

Passenger Seat Safety Belts
Featuring a new and improved design, these seat belts are essential safety features and are provided as standard equipment. (Option on the standard model)

Overhead Shelves
Neatly styled overhead shelves provide a handy place for passengers to stow away their belongings. (Available with A/Con package option on the Deluxe model)

Fuel Lid Center Locking System
Cable-actuated fuel lid center locking system makes fueling easier.

Steering Wheel
It is a lot more luxurious by applying 3D "H" logo emblem on the steering wheel.

Driver's Hanger

POWER

Smooth, Responsive and Economical

The County's D4DD 4-cylinder common rail direct injection (CRDI) turbo diesel engine is ideal for the travel. 140ps at 2,800rpm ensures impressive performance, and 5-speed transmission guarantees smooth gearshifts. The County also has disc brakes with ABS for active safety.

The New Engine D4GA(TCI) 150ps / 2,500rpm

- Displacement : 3,907cc
- Max. Torque : 59kgm/1,400rpm

The new CRDI (common rail direct injection) engine in the Hyundai produces 150ps and is capable of very fast acceleration with high torque even at low rpm.

TCI Engine

D4DB

155ps / 2,900rpm

- Displacement : 3,907cc
- Max. Torque : 38kgm/1,800rpm

D4DB-d

120ps / 2,900rpm

- Displacement : 3,907cc
- Max. Torque : 30kgm/2,000rpm

NA Engine

D4DC

120ps / 3,200rpm

- Displacement : 3,907cc
- Max. Torque : 30kgm/2,000rpm

D4AL

115ps / 3,400rpm

- Displacement : 3,298cc
- Max. Torque : 29kgm/2,000rpm

D4DD

140ps / 2,800rpm

- Displacement : 3,907cc
- Max. Torque : 38kgm/1,600rpm

D4AF

100ps / 3,400rpm

- Displacement : 3,568cc
- Max. Torque : 24kgm/2,000rpm

* Max. Power and Torque of engine may vary according to each country.

SAFETY

New Technology for Advanced Protection

Hydraulic with vacuum assisted brake system and optional ABS, large 9+10" tandem booster provides safety and stability for the vehicle.

Disc Brakes

For safer stops, Hyundai offers disc brakes which include a pad wear indicator. (Option)

Load Sensing Proportioning Valve

For safer stops, the Load Sensing Proportioning Valve selectively distributes hydraulic brake pressure between the front and rear wheels depending on the distribution of the passenger load. (Deluxe option)

Exhaust Brake

Very effective while braking on steep descents, the engine exhaust brake reduces wear on the wheel brakes. (Deluxe option)

9+10 Brake Booster

Large size tandem booster provides plenty of hydraulic brake pressure to significantly reduce brake pedal force requirements.

ABS (Anti-Lock Brake System)

ABS can detect wheel lock which can cause the vehicle to skid out of control and bring the vehicle to a safe, controlled stop while driving under slippery road conditions. (Package option with disc brakes)

TECHNOLOGY

Advanced Manufacturing and Testing Technology

As a product of Hyundai advanced testing and manufacturing facilities, the County meets the highest standards of performance, durability and safety.

Super Strong Frame

The County simply radiates a sense of solidness. The sturdy body on the box-type frame provides extra stability. The County's wide range of safety factors—both active and passive—ensures the best possible protection for all occupants. Further, the upsetting painting gives the body of the County overall protection against corrosion.

Durability Test on Rough and Uneven Road Surfaces

Engine Bay
Electro static immersion system guarantees 100 percent coverage for greater resistance against rust.

Electro Static Immersion System
Electro static immersion system guarantees 100 percent coverage for greater resistance against rust.

Front Independent Suspension (D4GA Engine only)
- Double Wishbone + Coil Spring Type

Rear Long Span Taper Spring (D4GA Engine only)

Chassis Durability Test

Pre-Heater
The cabin warms up quickly thanks to the pre-heater system. (Optional)

Door Step
Step surfaces is textured to prevent slipping when wet.

Automatic Folding-Door
Featuring a highly reliable mechanism, the auto folding door will provide years of trouble-free use. (Deluxe model)

TOP COMFORT TOP CONVENIENCE

Semi-Cloth Seat
New cushions provides firm but gentle support and seat facings are upholstered in semi-cloth.

Swing Out Type Door
Swing Out Type door provides stylistic complement to the body lines. Plus, they have been redesigned for quieter operation and easier access. (Deluxe option)

Rear Luggage Compartment

Linoleum Floor Mat

Double Locking System
The basic feature deters theft and prevents accidental starting.

H-470 Audio Systems (Option)

Microphone (Option)

H-420 Audio Systems

HIGH QUALITY & DESIGN New County 2 Door BUS

- 1. More room for standing** The spacious interior assures best-in-class comfort for passengers and facilitates passenger interaction.
- 2. Stanchion bar** Stanchion bars assure passenger's safety and comfort.

Convenience for entry and exit
With the additional rear door, new County emphasizes comfort for entry and exit

Spacious door for both Mid and Rear Entry and Exit

	Door type	Width	Height
Mid & Rear	Folding	663mm	1,745mm

Equipments

Power Steering
This optional feature (Deluxe only) reduces the steering effort and enhances driver comfort and convenience.

Tilt Steering
The steering wheel angle can be easily adjusted to suit the driver preferences. (Standard)

Telescopic Steering
This standard feature enables the driver to position the wheel at a perfect height for relaxed driving and a perfect view of the gauge cluster.

Rear View Mirror & Overhead Lamp
While a console in the roof serves some map-reading lights for convenient, wide inside rear view mirror enhances safe driving.

Sunvisor
Driver and passenger sunvisors block out the sun for safer, more confident driving. (Driver: Standard, Passenger: Option)

Speakers
High fidelity 5.25-inch speakers deliver concert hall-like acoustics for your listening pleasure.

Door Switch
The one touch-type door switch is located at the driver fingertips and is easy to use.

Glove Box
The spacious glove box is located in front of the co-driver seat and provides a handy storage space for personal items and travel essentials.

Fluorescent Lamp
Passengers will appreciate the bright illumination provided by the fluorescent lamp. (Standard on Super model)

Digital Clock
Its overhead location lets everyone see the time. (Package option with A/C on)

Door Pocket
For a convenience of driver, large door pocket is provided to carry variety of small goods for travel.

Free-Flow Ventilator
The free-flow ventilator circulates a steady stream of air throughout the cabin for the greater comfort of the passengers and driver.

Fuse Box
Located below the instrument panel for easy fuse checks and replacements.

Gear Box
Using cable linkages, gear shifts now require a shorter stroke and reduced effort for the greater convenience and comfort of the driver.

Power Clutch
Hydraulic assistance requires less clutch pedal effort thus reducing driver fatigue.

Electric Ventilator
The electric fan improves cabin ventilation and comes with the air conditioning package option.

Roof Ventilator
Centrally located roof ventilator provides an auxiliary source of fresh air and always comes in handy.

Radial Tires & Wheel Covers
Radial tire is standard on the all models.

Large Windshield Wiper
Large windshield wipers guarantee better visibility to driver at any bad weather
