## **SYRINGES MADE IN EUROPE | Ref 1551**

**This urgent update is following a recent communication from our supplier.**

"Many clients are asking for syringes at the moment."

"Turkey has banned already the export of syringes."

"Chinese prices are going up every day; even requiring a minimum of 60 days to deliver to Europe."

"Large European companies like B Braun are selling 10,000 pcs to clients at prices starting from €0.50/pcs."

"We need to act as quickly as possible since **pricing will likely increase** starting from next week."

The syringes in this exclusive offer are of the **highest quality** with all certification in compliance with European medical regulators:

- => Sterile
- => Non-Pyrogenic
- => Non-Toxic
- => Ethylene Oxide Sterilization
- => Shelf Life 5 years
- => Recommended for vaccination

We have a monthly capacity of **5 millions pcs for each one** of the following 3 models
