Why GSD – Virus Protection Essentials (VPE)

Our high-quality products and unique packaging created a strong branding visibility, and confidence to purchase our products in the home, office, and retail, environment.

GSD Core Products - Antibacterial Wipes

Our GSD Antibacterial wipes wash, sanitise, hands and work surfaces, Kills and removes bacteria in seconds. Our Antibacterial wipes are available in 20, 80, 200 pack and a family sized 4 x 80 box (320 wipes) pack. Our wipes are made from a premium 45-gram pearl embossed Spunlace non-woven fabric made with 30% viscose and 70% polyester.

GSD Core Products - Factory to Store Retail Display Unit

Our Retail Display Pallet, featuring 35 boxes per tray and 9 trays per pallet features a smaller footprint pallet for use in a retail store for merchandising. The superior design delivers larger forklift type entry points and enhanced beam racking capability, increasing operational and storage efficiencies. Product visibility is enhanced with access from all four-sides.

GSD Core Products – Antibacterial Wet Wipes Dispenser

Our high performance and high visibility dispenser holding 800 wipes per pack provides clients, guests, and employees with an attractive and affordable method of keeping hands and handles clean and sanitary. Constructed from premium steel, and powder coated, this is a durable solution for all commercial environments.

GSD Core Products – Antibacterial 800 Wet Wipes Roll

Our GSD Antibacterial wipes wash, sanitise, hands and work surfaces, Kills and removes bacteria in seconds. Our bulk wipes roll used in conjunction with the GSD wet wipes dispenser guarantee to help save you money. The wipes are delivered in airtight sealed bags. Simply place the wipes into the GSD Wet Wipes Dispenser, and cut a small hole in the bag and pull the first wipe through the tear insert, and close the GSD Wet Wipes Dispenser
