

NOT JUST ANOTHER BLACK MASK

Why? Because we know you demand the strictest requirements when it comes to quality, reliability and deliverables when you work with IPS, you are considered a Partner.. not a client. From the factory to your distribution center, we are in complete control every step of the way as are you. We provide real-time information and results.

OUR ADVANTAGE

Our **direct supplier relationship** and **reliable communications** sets us apart... which enables us to directly respond to your needs. When you add in **industrial grade security and logistics**, IPS will exceed your expectations. You are working with a US based Company, with over 40 + years of successful.

BLACK DISPOSABLE 3-PLY MASK

- Odorless
- Comfortable fit
- Efficient filtration
- Lightweight
