

## Over-the-Ear Office Wireless Headset

### VH6220

The VTech VH6220 Softphone Compatible Over-the-Ear DECT Office Wireless Headset for Business Desk Phones is compatible with most major desk phone brands. Keep up with business with one of the lightest office headsets on the market. This cordless headset clips over your ear to make it comfortable enough to leave on all day. And since its slim profile sits back farther on your head, it won't get in the way of sips of coffee or other activities. Every call is clear from virtually anywhere in the office thanks to up to 300 feet of range.

The VH6220 Over-the-Ear Office Wireless Headset works with major softphone services. To answer and end calls directly from the headset, add the VTech electronic hookswitch (EHS) kit (sold separately). Or, plug it directly into your existing desk phone with the included cord. Easily multi-task with one-touch call, answer, volume and mute. HD voice quality ensures your calls sound rich and life-like. Plus, DECT 6.0 technology cuts down on interference and static, giving you calls that are crisp, clear and secure.

### VH6220 Key Features

**Up to 300 feet of range\***

Experience the best in long-range coverage and clarity, provided by a unique antenna design and advances in noise-filtering technology.

**HD voice and wideband audio**

Calls have never sounded so rich and life-like. Enjoy high-definition sound with HD voice, and receive crystal-clear communication.

**Electronic hookswitch (EHS) compatible**

Answer and end calls directly from the headset with the VTech EHS kit (sold separately). Choose from two kits, which are compatible with most major desk phone brands.

**Softphone compatible**
