

diesel engine/diesel generator/water pump/welding machine

Copper durable motor

Intelligent circuit protection

Powerful and Low noise

**Remote control Recoil Electric start
3kva diesel generator single phase
110V 220V 25mm tube open frame 3kw
generator**

\$525.0 – \$650.0

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

**Remote control 5kw 5 kva generator
price better small professional
magnetic energy generator 12v DC
output**

\$650.0 – \$690.0

Model Number:D6700XE

1. ADC-12 aluminum Singgle :cylinder-Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

**remote control Equal single and
Three phase diesel generator 7kva 7kw
220V 380V power generator**

\$787.0 – \$849.0

Model Number: D8500XE3D

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

**multifunctional 8kw 8kva
generator diesel fuel Equal single and
Three phase power standby with
handle and wheels**

\$949.0 – \$1,200.0

Model Number: D9500XE3D

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

**9KW Remote
control diesel generator 8 kva 8kw
electric support 110v 220V for home
use add ATS**

\$898.0 - \$1,599.0

Model Number: D9500XE

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

**Freedom wheels diesel engine
generator 12kw big power Remote
control 380V 220V standby open frame
type**

\$2,335.0 - \$2,395.0

Model Number: D16000XE3D

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

3000 3500 watt generator 3kva diesel generator china cheap open type with battery start engine

\$503.0 – \$609.0

Model Number: D3500CLE-3KW

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

5.5KW 6KVA 5500WATT 380V 3 phase air-cooled diesel generator durable frame big wheels power back up

\$609.0 – \$699.0

Model Number: D7500CLE3P-5.5/6.0kw

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

6.5KW 6500W 7KVA single phase new open frame Strong power diesel generator for home use shop warehouse

\$661.0 – \$691.0

Model Number: D8500CLE3P-6.5/7.0kw

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

7KW 7500W 7.5KVA three phase 380V generator power diesel fuel generator avr ATS for warehouse car island

\$661.0 – \$776.0

Model Number: D9500CLE3P-7.0/8.0kw

1. ADC-12 aluminum Single cylinder Longer work life/Durable material/Light-weight
2. Anti -rust fuel tank:Preservative tank cover/Fuel level window/safer in work
3. Anti-dust Muffler:Reduce noise/Metal material is stronger/Anti -collision
4. AVR Voltage Stabilizer:Stable voltage/Better for battery charging/More stable and safer

Professional after-sales and Diverse accessories Advantage
