

A close-up photograph of a baby with light skin and bright blue eyes, looking upwards with a curious expression. The baby is wearing a light blue short-sleeved shirt. The baby is being held by an adult, whose hands and part of their torso are visible in the foreground, slightly out of focus. The background is a soft, out-of-focus indoor setting.

HUGGIES

Ultra Comfort & Elite Soft

HUGGIES ULTRA COMFORT

Description: Our new and improved Huggies for active babies, has a liner that provides the ultimate skin comfort. Also quickly draws in wetness away from your baby and distributes the fluid evenly inside the core of the diaper – all in a matter of seconds. This means that baby stays dry and comfortable, and you can be assured that you are doing the best for your baby.
