Fwd Cabin	Four (4) Place Club Seating
Aft Cabin	Two (2) opposite single seats
Lavatory	Forward
Connectivity	SATCOM, Wireless Network

PILATUS PC-24
SERIAL NUMBER 213

AVIONICS

The PC-24 Advance cockpit environment (ACE) avionics system is integrated with the utility management system (UMS) to provide display and control of the flight system, as well as secondary power distribution.

The ACE system also interfaces with autonomous/independent systems and equipment for control and display.

This system is based on Honeywell's APEX integrated system.
