Believed To Be A One Of A Kind Natural Ruby

Presenting a truly singular gemstone: a 15.73 carat Natural Ruby (Corundum) Crystal Reform from Mozambique. This extraordinary gemstone boasts a **crystal crown** and a vibrant Purple-Red hue, making it a rare and breathtaking find. Its unique shape and excellent cut grade allow the crown to provide a sparkle effect, commanding attention whether set in jewelry or admired on its own.

Sourced from the renowned Mozambique region, this ruby has been carefully polished to remove excess material, revealing its full beauty. As a one-of-a-kind treasure, it's perfect for discerning collectors, high-end designers or those seeking to add a rare and stunning gemstone to their collection.
