

Configuration, Resource

Model/modification	MI-8T
Year of manufacture	1979
General raid, hours	3161
Propulsion system	2x TB2-117A
Left engine	TB2-117A
Year of manufacture	1980
General flight, hours	2359
Flight after overhaul, hours	863
Right engine	TB2-117A
Year of manufacture	1981
General flight, hours	2024
Flight after overhaul, hours	733
The main gearbox	BP-8A
Year of manufacture	1982
General flight, hours	747
Main rotor blades	8AT-2710-00ПC
Year of manufacture	2008
General flight, hours	507

SET OF SPARE PARTS

Engine	TB2-117AГ
Year of manufacture	1990
General flight, hours	752
Engine	TB2-117AГ
Year of manufacture	1993
General flight, hours	1956
Flight after overhaul, hours	469
The main rotor blades	2 sets
Tail rotor blades	1 set
