Flexible space more convenient

1090kg rated load; 2/5-seat flexible layout; 4.8 m³ loading space in 2-seat layout; 3.1m³ loading space in 5-seat layout; larger space for storage.

Long endurance more reliable

Max. Mileage can be 268kms and drive cost is very economic.

Advanced technology much safer

EC35 adopts auto gear with knob and has standard configurations like parking sensor, ABS and pedestrian detection system, which will provide the safe and convenient drive.

Extra-large Space Extra-large cargo carrier

Item	Model	EC35
Battery	Battery Capacity:	38.6kwh
Motor	Power	60
Parameters	Exterior Dimension: L*W*H (mm)	4500*1680* 1985
	Cargo Box: L*W*H (mm)	2570, 1630*1440*1270
	Curb Weight (kg)	1520
	Load Weight (kg)	950, 755
	Gross Mass (kg)	2600
	Passenger Capacity (person)	2/2+3
Drive	Cooling Mode	Hydrocooling
	Max. Mileage:	268kms
	Voltage (V)	345
	Battery Heating System	(Optional)
Other Configurations	AC	(Optional)
	Shift Control Mechanism	Knob
	VCU	
	Fast Charge/Slow Charge:	SOC (20%-80%)0.6h
	Remarks:	means Equipped
	Parking Sensor	
	ABS/EBD	

Extra-large space, to achieve prosperity

EC314 750mm length; 6.8 m³ loading space; extra-large space will provide various storage arrangements and meet different situations.

Excellent quality solid and durable

EC31 1280kg rated load; maximum endurance mileage can reach 215km; especially designed for urban logistics.

Excellent configuration safe and reliable

EC31 has standard configurations like ABS and pedestrian detection system, which will provide a safer trip.

Extra-large Space Extra-large cargo carrier
