

# Embraer ERJ 135 ER for sale

uniquely presented EASA compliant ERJ 135 ER aircraft for sale  
which comes with an STC approval for Medevac operations

- Low time airframe
- Drop down air stair door
- Thrust Reversers
- Good landing gear status
- ADS-B Out equipped
- Dual Universal UNS-1Kw
- AHRS 900
- HF Radio

## AIRCRAFT DATA (August 2023)

|                      |           |                         |           |
|----------------------|-----------|-------------------------|-----------|
| Aircraft type:       | ERJ135 ER | Total hours since new:  | 23,845    |
| Date of manufacture: | 1999      | Total cycles since new: | 26,098    |
|                      |           | Current Operation:      | Europe    |
|                      |           | Aircraft availability:  | Immediate |

## WEIGHT DATA

|                          |           |                           |                     |
|--------------------------|-----------|---------------------------|---------------------|
| Maximum take off weight: | 18,990 kg | Maximum zero fuel weight: | 15,600 kg           |
| Maximum landing weight:  | 18,500 kg | Fuel Capacity             | 4,500kg / 5,732 ltr |
