

Soft Corporate Offer (SCO)

1 x NEW Siemens SST-300 Steam Turbine (24 MW)

New modern Siemens SST-300 backpressure steam turbine with 24 MW electrical output, designed for industrial power and process steam generation. It combines high efficiency with flexible operation, suitable for power plants or waste-to-energy facilities.

1. Offer Scope

Siemens 24 MW backpressure steam turbine set SST-300 – NEW

Manufacturing: 2018

Steam data:

Inlet pressure: 114 / 126 bar

Inlet temperature: 517 / 528 °C

Outlet pressure: 2.9 / 5.1 bar

Fresh steam flow: 125 t/h

Rated power: 19,470 / 22,900 kW

Gearbox:

Type: double helical gear / parallel-shaft reduction gear

Speed: 7,500 / 1,500 rpm

Power: max. 25,000 kW

Generator: Siemens TD Power

Rated output: 26,400 kVA

Rated current: 1,562 A

Rated voltage: 10,500 V

Rated speed: 1,500 rpm

2. Sales Price

€10.000.000 EXW Germany (Factory Price ~ 20 million €)

Not included:

German VAT (19%) if applicable, local import duties, taxes, or customs fees, civil/installation works at destination site and transport to be organized by buyer.

Total Price Estimate:

Purchase Price EXW	10.000.000 €
Dismantling:	400.000 €
Transport:	100.000 €
Reassembly:	500.000 €
Total Estimated Cost:	11.000.000 €

Note: Prices are estimated and subject to final technical assessment and logistics confirmation.

3. Availability: immediate

4. Payment Terms

- 25% (twenty-five percent) of the total purchase price upon conclusion of the sales contract.
- 75% (seventy-five percent) of the total purchase price when ready for loading.

The loading will be released immediately upon receipt of payment.

5. Inspection

- Pre-inspection is possible by buyer or third-party inspector (TPI).
- The equipment will be made available for physical inspection upon confirmation of a deposit equivalent to ten percent (20%) of the purchase price, to be held in a mutually agreed escrow account.
- Detailed documents, test data, and serial numbers available during inspection
- Inspection costs, including escrow account costs, borne by the buyer.

6. Validity

- This offer is valid for 15 (fifteen) days as of today's date.
- Remains valid with signing of LOI/NDA within this period
The validity of the offer remains intact upon signing a Letter of Intent (LOI) within this period.

Detailed information, including technical specifications and serial number, will be made available after submission of a duly signed Letter of Intent (LOI) endorsed by a bank as confirmation of funds.

8. Disclaimer

This document is a non-binding offer. It does not constitute a legally binding agreement. Obligations only arise upon signature of a final purchase contract by both parties. This offer must be treated as confidential.

We appreciate your cooperation and look forward to your response.
